

I Will Not Fear

Father, I will not fear because I know all things work together for my good. You have reminded me that I should never remove my heart far from You and my fears come from man and do not come from You. Father, You say the battle is Yours and not mine, and because You are always with me I can put my trust in You. I have no need to fear because You have strengthened me and will uphold me with Your righteous right arm. I am so blessed by the gifts that You have given me; soundness of mind, love and not a spirit of fear. Lord, there are times when I have a spirit of unbelief – please help my unbelief! Help me to remember how You have led me in the past and with confidence I can go forward knowing that my God is able to deliver me and hide me in His secret place.

Bearing Spiritual Fruit

Lord, in order to please You and to bear fruit I need the faith of Jesus. Please flow through me so that Your fruit will be evident and I will be secure in You. Father, demonstrate Yourself in me, without fear of any kind, and cause me to love the things You love and think the thoughts You think. Arouse me to activity, walking in the way You lead, and keep me keen to satan's plot to destroy Your fruit in me. Hold me captive, Lord, to Your will. Thank You that You are able.

Teach Me To Pray

Because You, Jesus, became sin for us, as we follow Your example we can come boldly to the throne of God. We can't imagine what could be accomplished. We are not to worry – You will be there to care for us. Teach us how to stand in the gap for this generation. Show us how to be watchmen on the wall and help us to continue praying for our church. We recognize that all this takes fasting and prayer. If we have needs, we ask, seek and knock – we trust You will answer. We have hope in Your word. It is like a fire and hammer. Your word has power when we pray. You break the rock of the most stubborn resistant heart. We delight to study and abide in Your law. We need devotion to prayer with alert minds and thankful hearts. We will be persistent until You answer. Amen.

Save Me From Myself

Father, give us a pure heart for You, so You may draw close to us. Thank You for meeting all of our needs. Forgive us for when we "talk the talk" and don't "walk the walk". Give us a heart to seek You fully and to develop an abiding connection with you. We need faith to come to You with diligence. Let us live and move and be in You. May we get out of our comfort zones and sow seeds for Christ and not allow seeds of contention that we may receive the seed in good soil to yield a crop for You. Emmaus

I Choose to Wait on You

Because I believe in Your goodness, God, the whole earth is filled with Your glory. Lord, You created everything; You have control of my life, despite the dangers around me. Help me to stand for You, so I can glorify You. Help me to obey You and not the opinions and thoughts of others. You have promised that I will be blessed when I trust You regardless of the troubles in my life I know You will continue to sustain me. Help me to believe in You so that I will always stand for You. You alone are righteous and You make me righteous. Nothing is impossible for You. You have promised that if I wait for You I will not be put to shame and I claim that promise in my life today and my current situation. I praise You for my current situation and trust what You are doing and what You will continue to do for me.

What as Jesus Walked

Lord, You are our true Shepherd. Keep us perfect by Your word. Help us to completely surrender our hearts to You, so that we may follow in Your steps and to continue in faith, grounded and steadfast, so that we may be able to shine Your light to the world. Empower us to be a follower of You, Christ, looking unto Jesus, the author and finisher of my faith. Let us show ourselves a pattern of good works with gravity and sincerity like the prophets were an example of suffering affliction and of patience. Help me to be faithful to teach others. Lord, use us to shed light to the world. May we become more like You so that those around us will see You in us.

You Are Great, O God

Oh Lord, my Lord, You are my Creator. I am Your special creation. Lord, you have called Your children to confess their sin. Be the strength within us in our weakness. Lord, may we receive the eyes to know the hope of Your calling that we may press toward the mark of Your high calling. Father God, I just want to be worthy to walk with You as You called us. Thank You, Lord. We want to praise You for Your goodness. May we be like You in all we are called to be. You have said, "fear not for I have redeemed you, I have named you, you are mine. Thank You for giving me the strength to turn to You. I will fear nothing for You have redeemed me. Because of this I am able to leave aside all evil thinking and evil doing. Praise Your name. Lord, Your name is marvelous and Your daily mercies amaze me all the time.

The Indwelling of the Holy Spirit

Lord, we as Your children are Your temple. We desire to yield our bodies to You as instruments of righteousness. Wash us with Your word, fill us with Your Spirit that we may produce much fruit. May we praise You in thankfulness and through tribulations. We are weak in flesh, but through You we are righteous and fruitful. May we always stay rooted in Christ watered by His word, so the fruit we yield will be beautiful and healing, full of love, peace, joy, temperance, patience, kindness, goodness, gentleness, meekness. Lord, thank You for taking the initiative of building Your church in Your children who are Your temple.

Holy Spirit Rain Down

Father, thank You that you send the Comforter, the Holy Spirit to teach us, convict us of sin and righteousness. We know that we don't even know what to pray but You promise to send the Holy Spirit Who makes intercession for us according to Your will with groanings that can't be expressed. Thank You for the promise that You will put Your spirit within us and take our stony heart and give us a heart of flesh. We ask for Your Holy Spirit, You promise that if we ask You will give to us a new life and recreate that new heart within us. Thank You that if we live in the Spirit we will walk in the Spirit sharing the fruit of the Spirit in love. As You rain down Your Spirit on us we receive power that we are able to witness for You in the world and You promise to give us the words we need in that very hour. Thank You that if we live in the Spirit we will walk in the Spirit, sharing the fruit of the Spirit in love. As Your armor protects us we praise You that we will be filled with joy and the Holy Spirit.
